- 6.4 Hardware warranty. Capita warrants that the Hardware shall perform in accordance with any specifications provided to Customer for the period of twelve (12) months following installation of the Hardware at the Site(s). - 6.7 Hardware Support Services restrictions. Customer hereby acknowledges that the Hardware Support Services cannot be provided in relation to Hardware that is more than five (5) years old, and that it therefore has an obligation to refresh each item of Hardware at least every five (5) years in order to continue to receive the Hardware Support Services for the applicable Hardware. Customer agrees that Capita may cease the provision of Hardware Support Services for any item of Hardware that is more than five (5) years old and Capita shall take account of such removal in the subsequent invoices issued in relation to the Hardware Support Services.

- 7.4 Additional Support and Maintenance.
- 7.4.1 Customer may from time to time request Capita to supply additional support and maintenance services outside the scope of the Support Services.
- 7.4.2 If Customer requests any such additional services, Capita shall use its reasonable endeavours to comply with Customer’s request, but Customer acknowledges that Capita’s ability to supply such additional services shall depend on the availability of appropriate resources at the time in question.

To reflect the additional costs of servicing earlier releases of the Products, Capita reserves the right to increase Support Fees where Customer is using a Product version older than the second release before the current release from time to time. However, for releases older than three (3) years (and without prejudice to Paragraph 8.2.1 above) Capita reserves the right to elect not to provide Support Services in respect of such Products.

Customer may act as controller or processor in respect to Customer Personal Data. This Paragraph 11 sets out Capita's data processing obligations to Customer in respect of Customer Personal Data. Customer will give reasonable notice of any audit, ensure that any audit does not disrupt Capita's business operations, ensure any agreed auditors (if any) are bound by appropriate (in Capita's opinion) confidentiality obligations to protect Capita's confidential information, and will be fully liable for any associated costs (including those of Capita); and
- 11.2.8 notify Customer without undue delay after becoming aware of
